The Shane Group, Inc.et al,

Case No. 2:10-cv-14360-DPH-MKM

Plaintiffs,

Judge Denise Page Hood

v. Blue Cross Blue Shield of Michigan,

Defendant .

**REQUEST FOR THE COURT AND CLERK OF THE COURT TO PLACE  
THE OBJECTOR'S MOTION TO PROCEED IN FORMA PAUPERIS ON  
THE DOCKET WHICH IS INTENTIONALLY INETRFERING WITH THE  
COURT'S MACHINERY AND WOULD HELP CAUSE AN ILLEGAL  
DISMISSAL OF THE APPEAL**

Two copies of the objection (Doc 369) two copies of a motion to proceed in forma pauperis and two copies of the sealed Form 4 were in the envelope and copies were mailed to class counsel. The envelope was received and the objection posted to the docket on 10-25-19 but the motion to proceed in forma pauperis has apparently been hidden. See Doc 369 pg 11 under Certificate of Service the first four lines. I called the clerk office early afternoon on Wednesday 10-30-19 and spoke to the clerk's office and was then transferred to her supervisor where I left a detailed message asking that individual to find the missing document form from the clerk or the court, please place it on the docket and left my phone number. There is no contact as of today 11-1-19 and the in forma motion is still not on the docket.

That document should have been placed on the docket when the objection posted back on October 25, 2019. No one has the right to withhold the motion to proceed in forma pauperis off of the docket to help cause the case to be dismissed for not paying the fee or for not filing an in forma pauperis motion. I demand the form be placed there immediately.

I hereby certify under penalty of perjury that all of the above is true and accurate to the best of my knowledge.

Mail which was attached to a motion for them to review.
